COVID-19: Health and Safety at the center of our decision

Domfoam would like to reassure all of our clients regarding the evolution of COVID-19. The health and safety of our employees are the center of our decisions. For public health reasons, we have taken precautionary measures to avoid the risk of propagation or contagion:

- Restricting travel
- Cancelling non essential events that were planned
- Continuing cleaning the premises

We continue to monitor updates and recommendations from provincial and federal health public officials. Given the fluidity of this event, our management team meets daily to discuss new developments that can impact our current operations in order to make quick and thoughtful decisions. In the meantime, Domfoam will fulfill all its orders.

Should anything change, we will keep you informed in a timely manner.

Sincerely

Domfoam
